

Immediate Feedback on Project Presentation

Company name:

UniMath

Content: 75

I like the initial idea of being specific to Cardiff University.

Code: 80

Nice use of code.

Delivery: 65

This is where your project suffered, it took a long time to know what your project was actually about.

Visual Aids: 65

You could have made better use of aids.

Creativity: 60

Good idea.

General comments

Good solid job.
