

# Immediate Feedback on Project Direction

(This is some feedback to make sure your project is on the right track: you will be given detailed a mark and detailed feedback asap.)

## **Company name:**

Hakan, Ruidi and Rebecca.

## **Technical aspects:**

I have looked at both your reports, both had planned to build an education website.

Think about the code needed to do this:

- Django (hard but well suited)
- javascript (easier but not as powerful).

## **Initial comments about write up:**

Detailed but some grammatical error on the one written by Ruidi.

## **Initial comments about strategy:**

Think hard about your usp?

## **General comments**

Keep the marking criteria in mind.
