

Immediate Feedback on Project Direction

(This is some feedback to make sure your project is on the right track: you will be given detailed a mark and detailed feedback asap.)

Company name:

RJSE.

Technical aspects:

Little to no technical details are given: you have very little time to accomplish a lot.

Take a look at kivy for app development but this might not be realistic given your time frames, as long as you have the skeleton code that is something.

Initial comments about write up:

Poorly written with opinions offered as facts.

Initial comments about strategy:

More market research needs to be done.

General comments

This has the potential to be neat. A lot of work to do.
