

Immediate Feedback on Project Presentation

Company name:

JECT

Content: 65

Nice idea but lacking in detail. Opinions offered as fact.

Code: 69

Well done learning pygame although some basic things not implemented (stopping the screen at end of kick).

Delivery: 63

Took a terribly long time to understand what your product was. Next time be sure to have a better introduction.

Visual Aids: 57

Ok use of visual aids.

Creativity: 55

Your idea was not well thought out.

General comments

This felt rushed at the end, perhaps you needed to spend more time on this.
