

Immediate Feedback on Project Direction

(This is some feedback to make sure your project is on the right track: you will be given detailed a mark and detailed feedback asap.)

Company name:

DLMS.

Technical aspects:

You have considered various technical aspects: mentioning Django for example.

Be sure to make some immediate progress with this to assess whether or not you have time to learn the framework. If you don't have the time HTML 5 and javascript is a valid approach.

Initial comments about write up:

Very well written.

Initial comments about strategy:

Your strategy seems considered however I am unsure as to what your USP is. Do some work on this.

General comments

Be sure to make immediate progress no the technical side and also consider making your strategy more precise.

Good work.
