

Immediate Feedback on Project Direction

(This is some feedback to make sure your project is on the right track: you will be given detailed a mark and detailed feedback asap.)

Company name:

Kade.

Technical aspects:

I have no knowledge of mobile app development but take a look at kivy.org which allows you to use python to build apps.

The idea sounds great and there might be some cool mathematics to look at as well.

Initial comments about write up:

Very well written.

Initial comments about strategy:

Would be good to see more details about channels etc... You have time to address this.

General comments

Very cool idea with potential to actually be successful (that's my personal opinion and I know nothing about this stuff). Could be worth speaking to Neil closely about it. (Remember me when you're rich). That's a joke, don't sue me when you're not.
