

Immediate Feedback on Project Direction

(This is some feedback to make sure your project is on the right track: you will be given detailed a mark and detailed feedback asap.)

Company name:

CodeX.

Technical aspects:

You mention Django, have you started working with Django?

Be sure to not leave this late as their is quite a learning curve. There are simpler alternatives that aren't as good but might be more realistic, come and speak to me if you'd like to.

Initial comments about write up:

Poorly written, with grammatical errors and repetitions throughout.

Initial comments about strategy:

I am not sure I know what your product is...
