Immediate Feedback on Project Direction

Company name:

SBTP.

Technical aspects:

You keep on referring to a 'fair' system yet you have not defined what is meant by 'fair'. Mathematically this is a very complex subject and you would need to do a lot more work and research to justify using supplementary votes.

On a technical note, your project at present reduces to a single if statement...

Initial comments about write up:

Terms are not well defined.

Initial comments about strategy:

You have not convinced me that there is a problem that needs solving.

General comments

Gain familiarity with mathematics of voting: a complicated problem. Defining 'fairness' is not straightforward.

Ensure there is a market for your product and finally give some thoughts towards the technical aspects.
