Immediate Feedback on Project Direction

(This is some feedback to make sure your project is on the right track: you will be given detailed a mark and detailed feedback asap.)

Company name:

Venus.

Technical aspects:

Very little technical aspects are considered. Wallpapers would require a huge resolution which would in turn require **a lot** of computer power...

Big difference between web domain and web space.

Initial comments about write up:

Some familiar terms used. Unclear things throughout. A lot of what you have written is incorrect (in particular about Egense's work).

Initial comments about strategy:

Seems to be thought out but a lot of details are missing.

General comments

You have a lot of work to do.
