Immediate Feedback on Project Presentation

Company name:

RYLR

Content: 62

The big weakness with your product is your USP (you do not have one). This could have been researched and presented better.

Code: 59

Basic use of some javascript. Perhaps as a group you should have considered this more?

Delivery: 72

Presentation was at times disjointed. Yasmin: you come across in a very pleasant and clear way.

Visual Aids: 63

Basic use of aids.

Creativity: 60

Basic idea.

General comments

Ok piece of work.
