I really enjoyed your presentation. You had though through this very well and were well prepared.

Code: 80

Nice use of code to draw fractals. Well done on using OOP ideas with turtles.

Delivery: 78

Very well delivered. You came across in a great way.

Visual Aids: 80

Excellent use of visual aids, the 3d room but also the turtle dude drawing the fractal.

Creativity: 75

Nice ideas.

General comments

Really good job and very well presented: instead of listening intently trying to assess you, I just sat back and enjoyed a good presentation.
