Immediate Feedback on Project Direction

(This is some feedback to make sure your project is on the right track: you will be given detailed a mark and detailed feedback asap.)

Company name:

Charlie's Angles.

Technical aspects:

No technical content presented. How/when will you code these? Drawing high resolution fractals takes a lot of computer power. Are you familiar with the work of Thomas Egense?

Initial comments about write up:

Very well written.

Initial comments about strategy:

Very well thought out: good job.

General comments

Good job, I look forward to seeing what you come up with. I would like to use this as a showcase for future years.
